

Changing Lives in Braldo:

SKZ Foundation's Adoption Journey

Greetings everyone! We are excited to share a remarkable journey with you– the Adoption of Braldo School by SKZ Foundation. As we continue our commitment to providing quality education, we invite you to be part of this transformative endeavor.

• SKZ Foundation: **Bridging the Gap**

In the heart of Braldo, a remote village located 8 hours away from Skardu, lies a school with a history dating back to 1985. This school, consisting of only two rooms and three dedicated teachers, has been the primary source of education for the village's children from nursery to grade 8.

• Our Promise to **Braldo**

SKZ Foundation, driven by its mission to empower through education, has taken on the responsibility of uplifting Braldo's educational landscape. We have pledged to provide:

- **Quality Education:** We are committed to enhancing the standard of education in Braldo.
- **Improved Infrastructure:** Our plans include renovating and expanding the school infrastructure to create a conducive learning environment for all students.
- **Capable Teachers:** We are dedicated to recruiting and training qualified educators who will inspire and guide the students.
